### Senior Technician

James Bailey

[baileyj@thenorthwall.com](mailto:baileyj@thenorthwall.com)

Technician

Edmond Lee

[Leee@thenorthwall.com](mailto:Leee@thenorthwall.com)

### Address

The North Wall Arts Centre  
South Parade  
Oxford  
OX2 7JN

## LOCATION

The studio is located on the first floor of The North Wall Arts Centre, which is north of Oxford city centre, a short walk from the shops, cafes and amenities of Summertown, and has a frequent bus service to the city centre. The North Wall is on a one-way street and so must be accessed from the East side (off Banbury Road, between BBC and Sainsbury's).

There is ample parking for cars and vans to unload/load next to the theatre, and free, long-term parking a few minutes' walk away.

### GET IN ACCESS

	Width	Height	Diagonal
Main door	1.24m	2m	2.34m
Lift doors	0.79m	2m	2.18m

There is a tight 90deg corner immediately before the main door. Please advise if bringing long (4m plus) items.

## THE SPACE

Width 9.9m  
Depth 12m  
Height to grid 3.5m

*Actual playing space will be smaller due to the **fixed seating bank** and any additional seating.*

The studio has a permanently installed seating bank in an end-on configuration, and a crossover/back stage area opposite. There are tabs on tab track along the upstage and offstage walls.

There is a fixed grid of lighting bars for rigging. Additional rigging of bars etc on this grid are possible, but must be arranged in advance via the venue technician.

# DRAMA STUDIO TECHNICAL SPECIFICATION

## LIGHTING

### Control

Control is in a **fixed** position to the right of the seating bank.

1 ETC Ion with 2x10 Fader Wing

### Dimming

36 ways Zero88 Betapack 3 10A dimmers
